

### Directions to Baboon Matters from Cape Town:

- Leaving Cape Town city bowl; travel on the M3 freeway (Blue-Route), heading towards the southern suburbs.
- Follow the M3 until it comes to an end – there is a T-junction at the traffic lights at the end of the M3. Turn right into Steenberg Road.
- Follow the signage to Simonstown. You will turn left up the mountain onto Ou Kaapseweg (M64). You will now be travelling over a mountain pass.
- When you reach the end of the pass you will reach a set of traffic lights.
- Turn left into Frigate Cr and immediately right into Chebec Cr.
- Take the first right into Cruiser Close; after travelling for about 50 metres you will see the Fourways Veterinary Hospital on your left.
- Continue around the natural bend in the road in Cruiser Close to number 3.

If you have any difficulties finding your way please phone the office line:
